

COMMUNICATION:
The language of leadership.

The JOHN MAXWELL **Team**
LEADERSHIP GAME

COMMUNICATION EDITION

Ready to improve
Communication?

The UNWORKSHOP is NOT:

- A shiny binder
- A cookie cutter program
- Death by power point
- Just another "program"

The UNWORKSHOP IS:

- Interactive communication approach
- Communication before content
- A blueprint to maximize communication, facilitate healthy cultures and increase learning gains.

Communication and teamwork are two of the greatest competitive advantages in the marketplace today. However, in most organizations, these two critical skills are highly undervalued and underdeveloped. In the

Communication Edition of

The John Maxwell Team Leadership Game, players will learn just how important communication is for effective leadership, productivity, and profitability.

COMMUNICATE ON EVERY LEVEL.

Whether you are giving a presentation, conducting a performance review or simply sharing information among your team, this game will challenge you to become a better communicator.

CONNECT WITH ANYONE. Connecting is key to great communication. When you play the game, you will learn Maxwell's tips for connecting with people on every level.

INCREASE YOUR IMPACT. Great communication is key to every conversation. Roll the die and pick up a card to discover how to make the most of every discussion, presentation or meeting.
